STUDENT BUS PASS

Student Bus Pass Now Available!

Students who are enrolled in middle or high school are eligible for the Freedom Transit Student Bus Pass - A great way to get around with public transit!

The Student Bus Pass is good for a 30-day period and can be used as fare payment on any fixed route bus, in any zone. Passes are available for sale at Washington Transit Center for all students and the Washington High School main office for

Washington School District students. Purchase a pass today for \$10 using cash or credit card (Washington High School sales are cash only) and start riding the bus as much as you want, all month long!

Proof of enrollment at a middle or high school, such as a class schedule or recent report card, is required at time of purchase. Each student must be present at the time of purchase of the pass and must use their own pass when paying for bus fare.

Your 30-day pass period will begin with the first use of your pass on board a fixed route bus. All Student Bus Passes are loaded onto a reusable Freedom Transit smartcard, so when you need to renew your pass make sure to bring your smartcard with you.
